SOUTH SANDS HOTEL, SALCOMBE, DEVON

The traditional bucket 'n' spade British beach holiday has been given a five star makeover by the South Sands Hotel. The beach was awarded a Blue Flag (to acknowledge high standards of water quality, safety and environmental management), on the hotel's first anniversary in May. As well as the pristine beach, the hotel offers beautiful sea view rooms, complete with 'his & her' bathtubs beside the windows – and huge family rooms for self-catering in style. Incredibly friendly staff and delicious food – served on a terrace above the beach – make this a perfect combination of seaside tradition and modern coastal style.

BEST FOR: Bucket 'n' spade British tradition with fantastic modern service.
